Report of Principal and School Improvement Council

Flowertown Elementary School, where “Believing is Achieving”, serves students from diverse ethnic, socio-economic, occupational, and educational backgrounds. Despite growth and change in our student population, an enduring characteristic of our school is that of a small-town “feel” promoting a positive, spirited school climate. FES fosters a compassionate culture in which diversity is embraced and neighbors care for and support one another. “Believe” captures the heart and soul of who we are as a school community and provides the foundation for nurturing active community involvement, high expectations, enthusiastic student engagement, shared leadership, and continuous growth of all staff in professional learning communities.

We believe that building a strong relationship with parents and community members is a hallmark of our school. FES students learn the value of responsible citizenship and service to our school and community through active participation in on-going initiatives such as building houses with Habitat for Humanity, and participating in Relay for Life and Jump Rope for Heart. These experiences help students recognize that they are just a small part of a much larger world. FES also boasts an active School Improvement Council and PTA, and twenty local businesses that assist us in countless ways through their partnerships. Our commitment to shared leadership includes involving multiple stakeholder groups in the decision-making process for our school.

Our community believes that “Being the Best You Can Be Begins with Me” and that continued excellence hinges on setting high expectations by working with students to set and monitor academic and behavioral goals. Classroom practices that positively influence student engagement are the keystone of our vision. Highly qualified teachers provide focused small group support in reading and math, and all students benefit from technology based initiatives. Data-driven collaborative planning and on-going formative assessment foster superior achievement and a solid foundation for life-long learning.

Receiving the National Blue Ribbon award for the 2013 – 2014 school year adds to the school’s enduring legacy of excellence. Our “Busy Bees” continue to make impressive gains on both national and state assessments which have earned them the Palmetto Gold status for overall academic achievement as well as the Palmetto Silver status for closing the achievement gap. Flowertown Elementary is a successful school that benefits from the hard work and determination of students, teachers, parents, staff and community. As we celebrate our many accomplishments and achievements, we are confident that we will continue to fulfill our mission and make excellent progress in the years to come.

Thank you to everyone who supports Flowertown in creating a positive learning environment that fosters high expectations for all of our students.

Donna Goodwin, Principal
Debbie Call, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	86.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Flowertown Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
